	<p>(b) 1% of outstanding principal; plus</p> <p>(c) the higher of:</p> <p>(i) any statement balance exceeding your credit limit (excluding interest, fees and charges under (a)); and</p> <p>(ii) any overdue amount (as applicable, such as any overdue minimum amount due); or</p> <p>² HKD220.</p>
Fees	
Annual Membership Fee	HKD0.
Cash Advance Fee	For each cash advance (including those via the JETCO or Mastercard ATM networks): HKD100.
Cash Withdrawal Fee	<p>HKD0 per cash withdrawal using an approved JETCO ATM in Hong Kong.</p> <p>HKD20 per cash withdrawal using an approved Mastercard ATM in Hong Kong.</p> <p>HKD30 per cash withdrawal using an approved ATM outside Hong Kong. For overseas ATM withdrawals using the JETCO Network, no foreign exchange handling fees will be charged by Mox. The foreign currency will be converted into Hong Kong dollars by the exchange rate imposed by JETCO on the transaction date. For overseas ATM withdrawals using the Mastercard Network, a 1.95% foreign exchange handling fee will be charged by Mox (a 1% fee imposed by Mastercard plus a 0.95% fee imposed by Mox). The foreign currency will be converted into Hong Kong dollars by the exchange rate imposed by Mastercard on the transaction date.</p>

Fees Relating to Foreign Currency Transactions on Your Mox Card	1.95% of every transaction (including refunds) effected in a currency other than Hong Kong dollars, comprising a 1% fee imposed by Mastercard plus a 0.95% fee imposed by Mox. We call this the “foreign exchange handling fee”.
Late Payment Fee	HKD0.
Over-the-limit Fee	HKD0.
Returned Payment Fee	HKD0.
Fees Relating to Settling Foreign Currency Transactions in Hong Kong Dollars and Transactions Processed Overseas on Your Mox Card	<p>If you conduct a Hong Kong dollar transaction (including a refund) on your Mox Card, whether in Hong Kong or overseas, and that transaction is processed overseas because the merchant or acquirer is registered overseas (i.e. in a place other than Hong Kong), a 1.95% cross-border access fee will be imposed (comprising a 1% fee imposed by Mastercard plus a 0.95% fee imposed by us). It will be imposed in circumstances where the overseas merchant or acquirer has already converted the transaction into Hong Kong dollars, or you have asked them to do so. The cross-border access fee and foreign exchange handling fee will not be imposed on the same transaction.</p> <p>For example, the cross-border access fee will apply if you are offered the option to, and choose to, settle a foreign currency transaction in Hong Kong dollars at a point of sale overseas. Please note that such an option is a direct arrangement offered by the overseas merchant and not Mox. You should ask the overseas merchant for details about the foreign currency exchange rate and any applicable fees before you enter into the transaction because settling foreign currency transactions in Hong Kong dollars may involve fees imposed by the merchant in addition to the cross-border access fee (and may involve a cost higher than the foreign exchange handling fee – see above).</p>
Paper Statement Retrieval Fee	HKD50 per copy of paper statement, charged to your Mox Account.

<p>Excess Fund Transfer Handling Fee</p>	<p>A 2% handling fee will be charged to your Mox Credit on the amount (or any part thereof) of any Mox Credit fund transfer effected by you in a calendar month where the cumulative amount of your Mox Credit fund transfer(s) exceeds the monthly threshold of HKD30,000. A Mox Credit fund transfer includes a payment (including an automatic payment and other recurring arrangement) using Mox Credit on the Mox app to another Mox user or any other non-Mox Hong Kong bank account or other FPS “Participants” (as defined in Part B of Schedule 2 to the General Terms and Conditions). Please note that the applicable handling fee and/or monthly threshold may depend on prevailing promotional terms and conditions.</p> <p>When you request to make a Mox Credit fund transfer that will exceed the applicable monthly threshold, you will be prompted in the Mox app to acknowledge the applicable handling fee. When you set up an automatic payment or other recurring arrangement that is a Mox Credit fund transfer, you will be prompted in the Mox app to acknowledge that a handling fee may apply when the transaction is effected. Upon your acknowledgment and by proceeding with the Mox Credit transfer, you are deemed to have accepted any applicable handling fee.</p>

- there are no new transactions on your Mox Credit after the above statement date (including any transaction relating to fees and charges);
- you make each repayment of the below amounts on or before the relevant payment due date;
- the interest rate is 0.0907% per day (equivalent to the APR of 35.99%); and
- interest accrues on a monthly basis on the principal amount outstanding.

Each month, if you repay...	you will pay off the outstanding balance of HKD20,000 in about...	and you will end up paying...
only the minimum amount due	173 months	a total of HKD63,951.33 (HKD43,951.84 of that being interest)
HKD883.43 (which is more than the minimum amount due)	36 months	a total of HKD31,803.61 (HKD11,803.61 of that being interest)
